NO FEE. NO COST

There is NO fee and NO cost associated with these services. Not to the facility, not to any resident of the facility and not to the family members of the veteran. We will work with any veteran, or the widow of a veteran, in obtaining their allowable benefits through the Department of Veterans Affairs.

No one will ever be denied our services.

At Veteran Benefit Project, we are committed to helping you secure the benefits you deserve. We help veterans and their surviving spouses attain the Aid and Attendance benefit from the Department of Veterans Affairs.

If you or your spouse served during a wartime period, are over the age of 65 or disabled, then we can help.
